363 POST OFFICE, GRESFORD

It was confirmed that this Special Meeting had been summoned in accordance with Standing Order 45 and the other relevant statutory provisions.

Mrs S Bellamy outlined the present position and offered some ideas for the proposals to turn the room at Gresford Post Office into a Community Room with facilities for small meetings and information exchange where brochures and leaflets regarding activities in the community could be made available for people to collect. The room could also be made available to other organisations providing assistance to residents such as the Pensions Office, Welfare Benefits, Banking and the Citizens Advice Bureau.

The existing facilities in the room were reviewed and it was noted that the toilet area to the rear of the building was easily accessible although there was a small step down onto the corridor. The rateable value was approximately 10 square metres.

After a short discussion, Mrs Bellamy agreed to come along to the next Community Council Meeting at Gresford Memorial Hall at 7.15 pm on 1st March 2012 to discuss her proposals further. Members suggested to her that she should bring her ideas and perhaps a short Business Plan for using spare room at the Post Office as a Community Room.
